This permit would allow construction, operation, closure, and post-closure care of the Class III disposal facility for farming wastes, landscaping and land clearing wastes, construction/demolition waste, shredded automotive tires, and/or certain wastes having similar characteristics and approved in writing by TDEC. No hazardous wastes, as regulated by the Tennessee Hazardous Waste Management Act (Tennessee Code Annotated, Section 68-212-101, et. seq.) and the Rules adopted pursuant to the Act, shall be accepted for disposal at this facility.
